

Dear Parents / Caregivers,

Well done to all the students who entered this year's Social Science Fair and congratulations to the students who were awarded placings! These amazing projects are on display in our Library. Be sure to check them out next time you're in.

Well done also to all the students who took part in last week's Young Einstein Quiz Challenge held here in our hall. With 160 children from around Central and Western Southland competing in this popular event, it was a huge achievement for one of our Year 7/8 teams, Winton Wild, to be crowned champions! Congratulations to Angus, Cody, Alana and Ben.

Well done to the students who took part in last Friday's Southland Cross Country event in Waimumu. Running with Southland's best is a huge challenge, so congratulations for competing in this top level event.

**What's Happening in Room 4**

Kia ora koutou. This term Room 4 have been learning about two types of farming; sheep farming and dairy farming. We have learnt many facts about each and have done some cool experiments. Our favourite one was when Mrs Collett showed us how wool is not as flammable as cotton. This week we had St John first aid training. We enjoyed learning how to help someone who is bleeding badly. We learnt you have to pack it, wrap it and raise it. For the last two weeks of term we are learning about Matariki. We're getting good at doing the Matariki Macarena!
