Dear Parents and Caregivers,

Kia Ora Koutou! Welcome back to a cooler Term 2. I hope you all enjoyed your Autumn holiday and made the most of being outside when the weather permitted. Room 5 has been enjoying the changing colours on the trees!

Our Room 5 routines have not changed this term, so parents please keep encouraging your children to come to school organised and bring drink bottles, heat ups and book bags into the classroom at the start of the day. The children have had a great start at remembering their hi viz vest every day and, with darker mornings, it's even more important to be seen and be safe. This term we are having shoes off in the classroom to keep our classroom as mud free as possible.

Keep reading with your child and please sign their Reading Notebooks each day. Spelling words are coming home weekly this term and it's been encouraging to hear about all the practising at home this week. Good job Team Room 5!

This year's Cross Country is being held on Tuesday 25 May. Students are encouraged to work on their fitness at home as well as at school. Can you please ensure your child brings appropriate footwear to school every day and we will practise as often as we can.

WHAT IS HAPPENING THIS TERM?

- PE / HEALTH - Cross Country
- MATHS - Length, Area and Time
 - Fractions, Addition and Subtraction, Multiplication and Division
- INQUIRY - Rocks Rock!

Feel free to pop in anytime and look at your child's books and around the classroom to see what we have been up to. I am very proud of how everyone is progressing and I'm looking forward to a busy and successful term.

Warm Regards,

Rachel Davis
