### **General Business**

#### **Signatory on Bank Accounts**

Bridgett has been trying to complete the changeover of signatories for the PTA account held with Westpac. We need a previously authorized committee member to sign forms. Suzan can do this.

#### **Ski Trip**

Ski trip – 30 kids, 10 adults. \$300ish profit. Megs organised

Discussed whether we could work it in to be a school event on a school day and subsidise for older kids only. Maybe look into for next year possibly.

#### **School Uniforms**

Megs raised whether we could look into a soft shell sports jacket to go with the PE uniform.

All agree that this would be nice. Mel says uniforms is something that is being looked into by BOT and staff, so wait and see what that outcome is.

#### **Winton's got Talent**

10<sup>th</sup> September – refreshments – trumpets and water

Gluten free? Licorice straps could be a good addition.

Jodie to look back and see how many we ordered last year.
