## **Alert Level Update**

Wednesday 3 March, 2021

Dear Parent / Caregiver,

Thank you for playing your part with regard to our Alert Level 2 Health and Safety Plan. Your support and compliance is appreciated as we all do our part to keep our community as safe as possible as we continue to navigate these uncertain times.

As a school, however, we need to be prepared if in the unfortunate event, the Alert Level in Southland is raised to either 3 or 4.

By learning many lessons very quickly last year, both the Board of Trustees and staff are confident that if we were to operate in Alert Level 3 or 4 again, the transition to our 'Learning from Home Programme' and school being open for children of essential workers only (at Level 3), would be well ordered.

For this transition to be trouble-free however, we do need to know more about your needs as these may have changed since last time.

**Please let us know if any of the following would apply to your household at Alert Level 3 or 4 and return to your oldest child's teacher by this Friday 5 March. Please return even if none of the statements would would apply. One return slip per family please.**

We will be ringing the families we have not heard from on Friday afternoon.

Thank you once again, for your continued support.

Regards,

Steve Wadsworth  
Principal
