Dear Parents/Caregivers,

It has been great having the children back at school this week and we are all excited to be back together again. The children have all settled back into routine quickly and are enjoying being able to work alongside their friends and classmates again. Over the term we have a number of exciting events planned.

We are completing an inquiry based around 'I Wonder Down Under.' This is a Science inquiry around the many systems and processes that occur under the surface of the Earth. It is also an excellent way to incorporate our Learner Muscles.

Cross Country will be a focus this term and all classes have already started to practise. We plan to be running each day so please ensure your child has their PE gear and running shoes.

Later in the term the Senior School will travel to ILT Stadium Southland for the annual Central Cup. This is a highlight of the year as children get to experience sporting activities alongside other Central schools. Children often comment on how they are able to try new sports they have not done before.

This week we started our St John's 'Weaving Well Being' programme. In our first session the children got to introduce themselves to Felicia, set the expectations for themselves and others when participating in the sessions and learned some breathing techniques. These weekly sessions will happen over the course of the Term as outlined in the information sent home at the end of Term 1.

If you have any questions, concerns or celebrations please don't hesitate in contacting me through Seesaw, in person or by phone or email.
